Conformity information
The full text of the EU declaration of conformity is available at the following web address: www.trust.com/compliance

Disposal of packaging materials
Do not use the device in any way other than that described in the operating instructions.
Please keep this information for future reference and pass it on along with the device.
This device must only be used in accordance with the directions in the operating instructions.
The device is intended for home or office use, unless otherwise mentioned on the device.
Clean the device with a dry cloth after first disconnecting the power supply.
Do not use the device to attempt to repair the device yourself.
Do not use the device in a moist environment.
Keep the device away from sources of heat and from water.
Do not direct the beam of the infrared laser beam to avoid damage to the eyes.

Disposal of the device
Do not open or alter the device.
Keep the device and all loose parts away from children, pets and unauthorized persons.
Use only the charger supplied or only suitable chargers.
Should the device suffer damage of any kind whatever, cease use immediately.
If the device overheats, cease use immediately.
Reduced WLAN performance may result from the following:
-Metallic objects in the vicinity of the device or between receiver and transmitter.
-Discharged batteries.
-Other wireless devices in the vicinity.
-Antennas may be restricted if the signal has to penetrate concrete walls and floors.
-There is no guarantee that HF faults will not arise in a particular location.

Disposal of batteries
Do not open or alter the device.
Keep the device and all loose parts away from children, pets and unauthorized persons.
Use only the charger supplied or only suitable chargers.
Should the device suffer damage of any kind whatever, cease use immediately.
If the device overheats, cease use immediately.
Reduced WLAN performance may result from the following:
-Metallic objects in the vicinity of the device or between receiver and transmitter.
-Discharged batteries.
-Other wireless devices in the vicinity.
-Antennas may be restricted if the signal has to penetrate concrete walls and floors.
-There is no guarantee that HF faults will not arise in a particular location.

DE - ALLGEMEINE INFORMATIONEN
Produktunterstützung: www.trust.com/25146
Bedingungen der Garantie: www.trust.com/warranty
Deklaration der Konformität
Trust International B.V. erklärt, dass das Produkt mit der Nummer 25146 die Richtlinie 2014/53/EU - 2011/65/EU entspricht. Eine Kopie der EU-Konformitätserklärung ist ebenfalls unter www.trust.com/compliance verfügbar.

Sicherheitshinweise
- Lesen Sie die Warnungen und die Anweisungen zur Sicherheit vor dem Gebrauch des Produktes.
- Benutzen Sie das Gerät nicht anders als in der Bedienungsanleitung beschrieben.
- Bitte bewahren Sie diese Informationen zur künftigen Verwendung auf und geben diese mit dem Gerät weiter.
- Dieses Gerät darf ausschließlich unter den Anweisungen in der Bedienungsanleitung verwendet werden.
- Das Gerät ist für den Einsatz zu Hause oder im Büro vorgesehen, es sei denn, es ist anders angegeben.
- Reinigen Sie das Gerät mit einem trockenen Tuch und trennen es vorher von der Stromversorgung.
- Versuchen Sie nicht, das Gerät selbst zu reparieren.
- Benutzen Sie das Gerät nicht in feuchter Umgebung.
- Halten Sie das Gerät von Wärmequellen sowie vom Wasser fern.
- Nicht direkt in die Augen schauen. Sie dürfen Infrarot-Laserstrahl auf andere, um Schäden am Auge zu vermeiden.
- Nicht öffnen oder verändern Sie das Gerät nicht.
- Halten Sie das Gerät und alle losen Teile von Kindern, Haustieren und unbefugten fern.
- Nutzen Sie nur beiliegende Ladegeräte bzw. nur geeignete Ladegeräte.
- Sollte das Gerät in irgendeiner Weise beschädigt sein, stellen Sie die Verwendung sofort ein.
- Wenn das Gerät zu heiß wird, verwenden Sie es sofort nicht mehr.
- Reduzierte WLAN-Leistung kann folgende Ursachen haben:
- Metallische Gegenstände in der Nähe des Gerätes oder zwischen Empfänger und Sender.
- Leere Batterien.
- Andere drahtlose Geräte in der Nähe.
- Die Empfangsantenne kann eingeschränkt sein, wenn das Signal Betonwände und -böden durchdringen muss.
- Es gibt keine Garantie dafür, dass in einer bestimmten Situation keine Störungen auftreten.

Disposal of the device
- Do not open or alter the device.
- Keep the device and all loose parts away from children, pets and unauthorized persons.
- Use only the charger supplied or only suitable chargers.
- Should the device suffer damage of any kind whatever, cease use immediately.
- If the device overheats, cease use immediately.
- Reduced WLAN performance may result from the following:
-Metallic objects in the vicinity of the device or between receiver and transmitter.
-Discharged batteries.
-Other wireless devices in the vicinity.
-Antennas may be restricted if the signal has to penetrate concrete walls and floors.
-There is no guarantee that HF faults will not arise in a particular location.

Disposal of batteries
- Do not open or alter the device.
- Keep the device and all loose parts away from children, pets and unauthorized persons.
- Use only the charger supplied or only suitable chargers.
- Should the device suffer damage of any kind whatever, cease use immediately.
- If the device overheats, cease use immediately.
- Reduced WLAN performance may result from the following:
-Metallic objects in the vicinity of the device or between receiver and transmitter.
-Discharged batteries.
-Other wireless devices in the vicinity.
-Antennas may be restricted if the signal has to penetrate concrete walls and floors.
-There is no guarantee that HF faults will not arise in a particular location.

Disposal of Packaging
- Read the warnings and safety instructions before using the product.
- Do not use the device in any way other than that described in the operating instructions.
- Please keep this information for future reference and pass it on along with the device.
- This device must only be used in accordance with the directions in the operating instructions.
- The device is intended for home or office use, unless otherwise mentioned on the device.
- Clean the device with a dry cloth after first disconnecting the power supply.
- Do not use the device to attempt to repair the device yourself.
- Do not use the device in a moist environment.

Conditions de garantie: www.trust.com/warranty
Déclaration de conformité
Trust International B.V. certifie que le produit avec le numéro 25146 satisfait à la directive 2014/53/EU - 2011/65/EU.
Le texte intégral de la Déclaration de Conformité de l'UE est disponible sur le site www.trust.com/compliance.

Consignes de sécurité
- Lire attentivement les consignes de sécurité avant d'utiliser le produit.
- Ne pas utiliser l'appareil d'une manière autre que celle décrite dans le mode d'emploi.
- Veuillez conserver ces informations pour référence ultérieure et les transmettre avec le dispositif.
- Ce dispositif ne doit être utilisé qu'en conformité avec les indications qui figurent dans le mode d'emploi.
- Le dispositif est conçu pour un usage domestique ou en bureau, sauf indication contraire.
- Nettoyer le dispositif à l'aide d'un chiffon sec après avoir débranché l'alimentation électrique.
- N'essayez pas de réparer le dispositif soi-même.
- Ne pas utiliser le dispositif en un environnement humide.
- Tenir le dispositif à l'écart de sources de chaleur et de l'eau.
- Ne pas regarder directement ou pointer le rayon laser à l'intérieur ou à l'extérieur des yeux.
- Ne pas ouvrir ou modifier le dispositif.
- Maintenir le dispositif et toutes les pièces détachées hors de portée des enfants, des animaux domestiques et des personnes non autorisées.
- Utiliser uniquement les chargeurs suministrados ou unicamente cargadores adecuados.
- Si el dispositivo sufre daños de cualquier tipo, interrumpa su uso inmediatamente.
- Si el dispositivo se sobrecalienta, interrumpa su uso inmediatamente.
- La reducción de las prestaciones del WLAN puede ser consecuencia de los siguientes factores:
- Objetos metálicos cercanos o entre el receptor y transmisor.
- Baterías descargadas.
- Otros dispositivos inalámbricos cercanos.
- La recepción se puede ver restringida si la señal tiene que atravesar paredes y suelos de hormigón.
- No existe garantía de que no vayan a producirse fallos de alta frecuencia en alguna situación concreta.

Disposal of the device
- Do not open or alter the device.
- Keep the device and all loose parts away from children, pets and unauthorized persons.
- Use only the charger supplied or only suitable chargers.
- Should the device suffer damage of any kind whatever, cease use immediately.
- If the device overheats, cease use immediately.
- Reduced WLAN performance may result from the following:
-Metallic objects in the vicinity of the device or between receiver and transmitter.
-Discharged batteries.
-Other wireless devices in the vicinity.
-Antennas may be restricted if the signal has to penetrate concrete walls and floors.
-There is no guarantee that HF faults will not arise in a particular location.

Disposal of batteries
- Do not open or alter the device.
- Keep the device and all loose parts away from children, pets and unauthorized persons.
- Use only the charger supplied or only suitable chargers.
- Should the device suffer damage of any kind whatever, cease use immediately.
- If the device overheats, cease use immediately.
- Reduced WLAN performance may result from the following:
-Metallic objects in the vicinity of the device or between receiver and transmitter.
-Discharged batteries.
-Other wireless devices in the vicinity.
-Antennas may be restricted if the signal has to penetrate concrete walls and floors.
-There is no guarantee that HF faults will not arise in a particular location.

Disposal of Packaging
- Read the warnings and safety instructions before using the product.
- Do not use the device in any way other than that described in the operating instructions.
- Please keep this information for future reference and pass it on along with the device.
- This device must only be used in accordance with the directions in the operating instructions.
- The device is intended for home or office use, unless otherwise mentioned on the device.
- Clean the device with a dry cloth after first disconnecting the power supply.
- Do not use the device to attempt to repair the device yourself.
- Do not use the device in a moist environment.
- Keep the device away from sources of heat and from water.
- Do not direct the beam of the infrared laser beam to avoid damage to the eyes.

Disposal of the device
- Do not open or alter the device.
- Keep the device and all loose parts away from children, pets and unauthorized persons.
- Use only the charger supplied or only suitable chargers.
- Should the device suffer damage of any kind whatever, cease use immediately.
- If the device overheats, cease use immediately.
- Reduced WLAN performance may result from the following:
-Metallic objects in the vicinity of the device or between receiver and transmitter.
-Discharged batteries.
-Other wireless devices in the vicinity.
-Antennas may be restricted if the signal has to penetrate concrete walls and floors.
-There is no guarantee that HF faults will not arise in a particular location.

Disposal of batteries
- Do not open or alter the device.
- Keep the device and all loose parts away from children, pets and unauthorized persons.
- Use only the charger supplied or only suitable chargers.
- Should the device suffer damage of any kind whatever, cease use immediately.
- If the device overheats, cease use immediately.
- Reduced WLAN performance may result from the following:
-Metallic objects in the vicinity of the device or between receiver and transmitter.
-Discharged batteries.
-Other wireless devices in the vicinity.
-Antennas may be restricted if the signal has to penetrate concrete walls and floors.
-There is no guarantee that HF faults will not arise in a particular location.

Disposal of Packaging
- Read the warnings and safety instructions before using the product.
- Do not use the device in any way other than that described in the operating instructions.
- Please keep this information for future reference and pass it on along with the device.
- This device must only be used in accordance with the directions in the operating instructions.
- The device is intended for home or office use, unless otherwise mentioned on the device.
- Clean the device with a dry cloth after first disconnecting the power supply.
- Do not use the device to attempt to repair the device yourself.
- Do not use the device in a moist environment.
- Keep the device away from sources of heat and from water.
- Do not direct the beam of the infrared laser beam to avoid damage to the eyes.

IT - SPECIFICHE GENERALI
Assistenza prodotto: www.trust.com/25146
Condizioni di garanzia: www.trust.com/warranty
Dichiarazione di conformità
Trust International B.V. dichiara che il prodotto con il numero 25146 rispetta la direttiva 2014/53/EU - 2011/65/EU.
Il testo integrale della Dichiarazione di Conformità UE è disponibile sul sito www.trust.com/compliance.

Istruzioni per la sicurezza
- Leggere attentamente le istruzioni di sicurezza prima di utilizzare il prodotto.
- Non utilizzare il dispositivo in modo diverso da quanto descritto nelle istruzioni di sicurezza.
- Conservare queste informazioni per riferimento futuro e consegnarle insieme al dispositivo.
- Questo dispositivo deve essere utilizzato esclusivamente in conformità alle indicazioni che figurano nelle istruzioni per l'uso.
- Il dispositivo è destinato all'uso in ambiente domestico o in ufficio, se non è indicato diversamente.
- Pulire il dispositivo con un panno asciutto dopo aver scollegato l'alimentazione.
- Non aprire né tentare di riparare il dispositivo da soli.
- Non utilizzare il dispositivo in un ambiente umido.
- Tenere il dispositivo lontano da fonti di calore e dall'acqua.
- Non guardare direttamente o puntare il raggio laser a nessuno per evitare danni agli occhi.
- Non aprire né alterare il dispositivo.
- Mantenere il dispositivo e tutte le parti sciolte lontano da bambini, animali domestici e persone non autorizzate.
- Utilizzare solo i caricatori in dotazione o esclusivamente caricati adatti.
- Se il dispositivo subisce danni di qualsiasi tipo, interrompere l'uso immediatamente.
- In caso di surriscaldamento del dispositivo, interrompere l'uso immediatamente.
- La riduzione delle prestazioni WLAN può essere causata da:
- Oggetti metallici a proximité o entre le récepteur et l'émetteur.
- Batteries déchargées.
- Autres dispositifs sans fil à proximité.
- La réception peut être limitée si le signal doit traverser des murs et des sols en béton.
- Il n'existe aucune garantie que des défauts HF ne surviendront pas dans une situation spécifique.

Disposal of the device
- Do not open or alter the device.
- Keep the device and all loose parts away from children, pets and unauthorized persons.
- Use only the charger supplied or only suitable chargers.
- Should the device suffer damage of any kind whatever, cease use immediately.
- If the device overheats, cease use immediately.
- Reduced WLAN performance may result from the following:
-Metallic objects in the vicinity of the device or between receiver and transmitter.
-Discharged batteries.
-Other wireless devices in the vicinity.
-Antennas may be restricted if the signal has to penetrate concrete walls and floors.
-There is no guarantee that HF faults will not arise in a particular location.
